Notes in full:

The method used to set these core handicaps is described on the SailJuice Winter Series website. These handicaps are provisional and may change if class specifications or handicaps change. Each host club is responsible for their event so can adjust these handicaps as needed. Not all of these classes may be eligible for all the series events. Check each NOR carefully.

- Note 1: Handicap change in line with RYA / Class change
- Note 2: Handicap based on data from the last five years of SailJuice Winter Series (SWS) events
- Note 3: Handicap based on club racing data from the venues in the series
- Note 4: New class or limited data, handicap based on boat specifications
