Notes in full:

The method used to set these core handicaps is described on the greatlakes.org.uk website
These handicaps are provisional and may change if class specifications or handicaps change
Each host club is responsible for their racing so can adjust these handicaps as needed
Not all of these classes may be eligible for all the SailJuice Winter series events. Check each NOR carefully

Note 1: Handicap change in line with RYA / Class change
Note 2: Handicap based on data from the last five years of SailJuice Winter Series (SWS) events
Note 3: Handicap based on club racing data from the venues in the series
Note 4: New class or limited data, handicap based on boat specifications
Note 5: Handicap change based on conversion from SCHRS
