**Notes in full:**

The method used to set these core handicaps is described on the greatlakes.org.uk website

These handicaps are provisional and may change if class specifications or handicaps change

Each host club is responsible for their racing so can adjust these handicaps as needed

Not all of these classes may be eligible for all the SailJuice Winter series events. Check each NOR carefully

Note 1: Handicap change in line with RYA / Class change

Note 2: Handicap based on data from the last five years of SailJuice Winter Series (SWS) events

Note 3: Handicap based on club racing data from the venues in the series

Note 4: New class or limited data, handicap based on boat specifications

Note 4E: Experimental number based on boat specs, may change during series

Note 5: Handicap based on conversion from SCHRS at 666 (was 678)
